

PARKING PERMIT APPLICATION

Students who wish to drive to school each day may park in Trinity's upper and lower parking lots at no cost provided they abide by parking rules set forth by Trinity's administration. A permit, however, must be obtained and displayed in the front window of the car when it is parked on school property.

Complete the form below and turn it in to the Business Office during the first week of school. All parking permits will be issued at that time.

For office use. **PERMIT NUMBER:**

- No car may be parked on a school lot during school hours without a valid Trinity parking permit.
- The parking permit gives permission to park in any available spot in designated areas of school parking lots. No student has exclusive right to a particular space unless it is marked by a school official.
- Students who park without displaying their permits or otherwise park illegally will be fined \$50 and risk having their vehicles towed. Failure to pay this fine promptly may also result in revocation of all parking privileges and other disciplinary penalties.
- On occasion, special events or other activities may require the school to close certain spaces to student parking. In these situations, some students will need to park in the municipal lot on Granger Road. Students who purchase parking permits agree to this provision of Franciscan hospitality.
- Speed is not to exceed 10 mph on school property. Hazardous driving may result in revocation of parking privileges.
- No student is allowed to go to his/her car during the school day without a pass from a staff member.
- Littering or throwing objects from cars is prohibited.
- Trinity is not responsible for the safety of cars or their contents.

I agree to observe all of these parking regulations.
